MAN WITH A VAN

The interface is a web-based application for managing company contacts and payments. It features a top navigation bar with icons for Jobs, CRM, Reports, System, Financials, and File Management. On the left, a sidebar titled 'Navigation' includes links for Company, Contacts, and Projects. Under 'Actions', there are links for Show Audit History and Print Statement.

The main content area shows a company record for 'Babcock Pty Ltd'. The company details include:

- Address: Attn: Accounts, Level 5, 45 St Kilda Rd, Melbourne VIC 3004
- Contact Numbers: Phone, Fax, Email, Website
- Credit Account: Yes (radio button selected)
- Purchase Order Compulsory: Checked
- Number of Jobs: 1615
- Outstanding Total: \$8411.00

A 'Create New Record' button is available at the top right, along with 'Find Mode' and 'Xero Contact ID' (3e99f340).

The main view displays a grid of contacts, each with a unique ID, last name, phone number, email, and notes. The notes column contains placeholder text like 'August Installation code 114'. The grid also includes columns for 'Payments' and 'PO Number'.

At the bottom left, a footer provides navigation controls (Prev, Next, Find, Rec), and a message indicating 1910 records total.

Transmission Re-Learn for Duonic Vehicles

- Turn the ignition off.
- Put the handbrake down (off).
- Push both Brake and accelerator pedals to the floor. Hold them there.
- Turn the Ignition to the on position (don't start engine).
- With your right hand, move the gear selector from park to neutral, then to drive, then push left to manual mode and hold it there.
- Pull the hand brake up, hold 1 second.
- Handbrake down, 1 second
- Handbrake up. Flashing #1 appears in the gear indicator
- Foot off accelerator, gearshift into park, start the engine.
- It will cycle itself automatically through the gears, when done it will go back to neutral. Takes about 5 mins.
- Handbrake down, then done.
- Test drive forwards and reverse.
